Westfield Insurance Foundation's Legacy of Caring Fund Benefits "Opening Doors" of Dubuque, IA

Dubuque, Iowa, May 25, 2017 – Opening Doors, of Dubuque, Iowa, received a \$9,000 grant from Westfield Insurance Foundation thanks to the help and partnership of Cottingham & Butler. The grant is part of the Westfield Legacy of Caring program, which invites Westfield independent insurance agents to nominate a local nonprofit in the areas of disaster recovery, insurance pathways, family stability or safety.

"Thanks to the generous donation from Westfield Insurance Foundation, we can increase our efforts toward our job skills training program; 'Doorways to Hope'. This program teaches women soft and hard job skills and also provides guidance for residents looking for assistance in obtaining their HSED and/or help with the paperwork necessary for admission into a college" said Ann Lorenz from Opening Doors.

"We have strong relationships with our agents, and we value the important role they play in their communities," said Ed Largent, Westfield President, CEO, board chair and Westfield Insurance Foundation chairman. "Our agents help provide peace of mind and security, and the Legacy of Caring fund is an extension of the fundamental role insurance plays every day stabilizing families, businesses and communities."

"Opening Doors has provided a tremendous value to the people they serve and our Dubuque community. Their focus on education and empowerment has created a model for independence and long-term success. Our collaboration with Westfield allows us to further our citizenship efforts and have impact in critically important initiatives like Opening Doors," said David Becker.

Opening Doors is one of 78 nonprofits nationwide receiving a Westfield Legacy of Caring grant – collectively totaling nearly \$550,000. Westfield is proud to work with their independent agents in distributing nearly \$1.3 million since the onset of the Legacy of Caring program in 2015.
