

2019 CAPTIVE WEBINAR SERIES

FEBRUARY 13

An Alternative To The Standard Market

Wednesday, February 13, 2019 | 11:30AM-Noon CST

In the standard market, your company is at the whims of the insurance market place; a process that includes suffering from untimely renewal terms and market fluctuations, all clouded in uncertainty. Discover how joining a captive is an alternative that gives you control over your insurance destiny and allows you to beat the standard market dilemma.

APRIL 17

Take Control Over Your Claims

Wednesday, April 17, 2019 | 11:30AM-Noon CST

The core philosophy of the captive is that, "Every dollar spent on claims ultimately comes out of your pocket." Learn about the contrarian claims handling model that puts you in the driver's seat of your claims handling and the money saving results this model has achieved.

JUNE 19

Why A Group Captive?

Wednesday, June 19, 2019 | 11:30AM-Noon CST

Explore the world of group captives with Cottingham & Butler. Discover how best-in-class companies use the financial mechanism of captive insurance to take control of and reduce their insurance costs, all while receiving tailored services unrivaled in the standard insurance market place.

AUGUST 14

A Continuous Dedication To Safety

Wednesday, August 14, 2019 | 11:30-Noon CST

Captives are reserved best-in-class companies. The most unifying characteristic of all captive members is their unrelenting dedication to safety. Discover how the captive provides you with the tools and consultation to continue taking your safety program to the next level.

OCTOBER 16

Build Equity In Your Insurance Program

Wednesday, October 16, 2019 | 11:30AM-Noon CST

Cottingham & Butler captive members have earned back over \$142 million in dividends in total and over \$10 million in 2018 alone. Find out how a captive allows your company to reduce your insurance costs and how you too can earn dividends from your insurance premiums.
